### **BA ENGLISH AND FILM STUDIES**

University of Leeds

In this degree I am constantly studying dramatic pieces in both sides of the course, and considering all roles in the production of films, television and theatre.

### **ARSM DIPLOMA IN MUSICAL THEATRE**

Completed with ABRSM

For this I had to prepare a repertoire of songs that were performed to a standard equal to students studying performance as a degree.

### **A LEVEL DRAMA, ENGLISH AND GEOGRAPHY**

For my A levels I studied each subject for two years, providing exceptional coursework for each one.
