WORK HISTORY

Bonsai Pictures / Owner and Video Producer

AUGUST 2024 - PRESENT, LIVERPOOL

Through Bonsai Pictures I've created multimedia content for a range of Liverpool based clients such as LJMU, UoL, Hope Uni, The Royal School for the Blind and Bradbury Fields. I have liased with clients, transformed briefs into high quality video content and purchased my own equipment (Sony FX30, RODE Wireless Go 3s, DJI RS4 Gimbal and more)

Liverpool John Moores University / Video Producer

APRIL 2024 - AUGUST 2024, LIVERPOOL

I have shot and edited a multitude of videos for Liverpool John Moores University including course promos, travel highlights and more. Liaising mainly with the Student Recruitment department. This process has involved a variety of work with cameras, audio, lighting, editing and interviewing as well as vertical content creation

Lime Pictures / 3rd Assistant Director - Hollyoaks

APRIL 2024 - APRIL 2024, LIVERPOOL

I had a three-day placement at Lime Pictures learning and working as a 3rd AD for Hollyoaks. The summary of my role was to keep the cast on track, get them in and out of makeup / costume, travel them to set and lock off the set when we were rolling.

Stage 2 Productions / AV Installer

MAY 2022 - JANUARY 2023, JERSEY

Stage 2 Productions is an AV tech company based in Jersey. During my time there I set up lighting, audio and video equipment for large corporate and social events across the island, including annual music festivals Out-there and Weekender.

3C International / Video Producer / Freelance

JULY 2020 - PRESENT, JERSEY

3C International is a production company based in Jersey, Channel Islands with which I have traveled to the UK, Africa and the USA to film, edit and live-stream various sporting events such as the Welsh Adaptive Surfing Championships and large scale Electric Vehicle events. I have helped prepare AV equipment, operated broadcast and cinema cameras, boom operated, directed interviews and live switched events.
