

# Jack Hollingworth

On-Set Runner/Camera Assistant

---

## Profile:

I am looking for work as a runner, grip or camera assistant. I work well in team environments, have a great care for detail in film and have experience being on sets, working with both camera and lighting equipment. I'm based in Aylesbury and Outer London, able to drive to locations and am available to start as soon as possible.

---

## Education:

*Film and Moving Image Production (BA), Norwich University of The Arts (2021 - 2024)*

- Working and collaborating within the industry
- Learning of industry standard equipment for different roles
- How to correctly send and create paperwork specific to filming
- Understanding and researching jobs in the industry
- Understanding set etiquette and industry professionalism

*Photography, Waddesdon Church of England School, Sixth Form (2019 - 2021)*

- Learning basic camera equipment
  - Following briefs to a high standard
  - Editing on advanced software
- 

## Key Skills:

I have worked with a range of camera equipment, from Canon 300-800D to ARRI LF Mini, alongside using track and dolly, cranes and steadicams. As well as lighting equipment such as dedo lights & ARRI 350 - 2k. Also having worked with industry standard software such as Davinci Resolve, Adobe Premiere Pro, Indesign, Photoshop and Lightroom, with work on Logic and FL Studio for sound.
