- Kitchen staff, working in a fast paced environment, learning to manage a rush

Assistant teacher (Whitehall primary school)

July 2018 - July 2018

- Work experience, working with children

EDUCATION:

MA DESIGN - BATH SPA UNIVERSITY
SEPTEMBER 2024 - SEPTEMBER 2025

As a recent interior design graduate I started the masters program off by redesigning the design studio. For the next 2 trimesters I moved my practice towards set design, more particularly, theatre design. Translating the infamous horror movie *IT Chapter One* in to a theatre stage set for a live audience.

INTERIOR DESIGN BA (HONS) - BATH SPA UNIVERSITY
OCTOBER 2021 - MAY 2024

Completed
modules

Leisure &
Hospitality

Retail space &
light

Environment &
Services

The interior design course introduced me to the industry. I became proficient in software's such as: CAD, SketchUp, Enscape, InDesign, Photoshop, PowerPoint, Word. From learning these I have managed to create realizations of my designs in 3D modelling as well as technical drawings on industry level software's, for instance, AutoCAD.

ST BRENDANS SIXTH FORM COLLEGE
SEPTEMBER 2019 - JUNE 2021

Completed
courses

Textiles

Photography

Spanish

These courses gave me a good understanding of how to use software's such as photoshop and further insight into the creative industry, particularly creating and making for the consumer industry. Studying Spanish also helped further strengthen my communication skills.

LANGUAGES:

English

Spanish

Portuguese

Gujarati

KEY SKILLS:

AutoCAD

SketchUp

Enscape

Adobe Suite
