ABOUT ME

Hard working creative who thrives in a fast-paced environment where I am able to utilise my skills to work to a brief, and find the best possible solution. Resourceful, adaptable and a driven problem solver I am looking to take the next step in my career within the Fashion and Textiles industry, utilising the experience and knowledge I gained in my degree.

SKILLS

- Strong sewer, hand and industrial machines
 - Alterations
 - Garment making
- Strong knowledge of hand and machine knitting, crochet, and embroidery

WORK EXPERIENCE

FREELANCE COSTUME ASSISTANT AND STYLIST FROM 2024

Previously e-commerce stylist for Incu, creating cohesive looks for their website and social media, as well as ongoing work in advertising and film and television industry.

PROFILE

My background in Textile and Costume Design centres on transforming the wearer through material. After an early role as a Costume Assistant in Sydney shifted my focus from Graphic Design, I chose to pursue a degree in Textiles and Fashion, launched a knitwear business, and gained experience in the fashion sector as a stylist. I am dedicated to build on this foundation and immerse myself in the diverse demands of the costume industry.
