SKILLS

Confident with digital cameras – ARRI, Sony, RED, Canon
Worked using both 8mm and 16mm Film – wanting to learn more

Receptive and eager, I want to work with the camera and crew as much as possible. I have great communication skills and pride myself in being organised and reliable, I am looking to develop my professional skills on set as an AC or camera trainee. Working independently with creative and set tasks is another area where I can confidently apply my skills.
