PERSONAL PROFILE

An enthusiastic and determined filmmaker looking for the opportunity to gain invaluable experience. Whilst attending Canterbury Christ Church University, I have learnt an incredible amount about how the backbone of a film is brought to life. I have covered all parts of the production chain but have a keen interest in cinematography and directing. A film in my opinion must visually astound an audience and inspire people to become invested in the narrative.

WORK EXPERIENCE

McDonalds Drive Thru, Tonbridge, 7-9 Cannon Lane. August 2021- September 2023.

- Part-time Crew Trainer.
- Allowed me to develop skills such as teamwork, communication, quick-thinking and leadership.
- As my first job it made me aware of the work and perseverance needed to provide good customer service and a well-made product.

Waitrose & Partners, Canterbury, St Georges Place. August 2024- Present Day

- Part-time Delivery Driver.
- This job has helped me develop my independence, time-management and problem solving. While of course being comfortable driving in LGV's.
