### Profile

Nick Elliott is a British actor and presenter known for his compelling performances across comedic, indie, and action genres. He gained recognition for his lead role as retired gangster Paul Canterbury in the film **Diamond Dogs** (2025), where he showcased a nuanced portrayal of a character facing the complexities of his past. Elliott has made a name for himself in the industry, blending his distinctive Cockney accent with a natural charm that resonates with audiences.

His versatility is further highlighted in **Buying Time** (2023), where he plays JT, a key member of a vigilante gang navigating a web of intrigue. As the engaging presenter of **2 Go Mad in Norfolk**, he captivates viewers with his wit and charisma, seamlessly transitioning between roles. With a growing filmography and a reputation for depth and authenticity, Nick Elliott continues to leave a lasting impression on screen.
