Bachelor's Degree - Film and Television Production UEA, Norwich

Further developed creative and technical skills in filmmaking, photography, advertising, and digital media. Gained experience in directing, script-writing, time management, and networking. I have also developed a greater knowledge of film and editing techniques, along with further knowledge about numerous different genres. Within this course I also achieved an Albert certificate, proving my knowledge on maintaining sustainable environmental practices within the industry.

WORK EXPERIENCE:

Wetherspoon - September 2024 - Current Kitchen Associate

Responsible for food preparation, maintaining high hygiene standards, and supporting kitchen operations in a fast-paced environment. Worked efficiently as part of a team to deliver quality service, and ensure smooth day-to-day running of the kitchen.

ACCOMPLISHMENTS:

● Writing

Experience in writing scripts and stories for numerous different settings and genres. I picked up the ability to write scripts correctly, independently and within groups via script modules in University.

● Drama

Performed in a Stage Show of Madame Butterfly at Cliffs Pavilion, Southend on Sea. This greatly improved my confidence, as well as my acting ability.

● Young Carer

Previously registered Young carer, assisting with the care for my younger brother and stepsister. This taught me numerous caretaking skills.

● Public Speaking

Presented a motivational speech at a Young Carers convention. This has improved my public-speaking abilities, as well as my ability to write important statements and speeches.

- **ALBERT**

Underwent a training camp that taught me about the significance of environmental practices within the media industry and how to implement different environmentally safe procedures when working on different media projects. This training camp resulted in me earning an ALBERT certificate.
