## Personal statement

I am an Auckland-based camera trainee with experience across the camera and art departments. After studying at South Seas I developed a passion for camera work and thrive in the fast-paced environment of a film set. I bring a hands-on, adaptable approach to set and enjoy collaborating across departments and am eager to learn and adapt on set.

---

## Education

### South Seas Film School, 2025

Level 6 Diploma in Film and TV Production (A\*) - Specialising in camera, lighting and audio.

Understanding different techniques and visual ways to capture a scene that works with a director's vision. Capturing audio in a precise manner and helping to create soundscapes. Shaping light and working on quality to enhance a scene's atmosphere.

---
