About me

Dresser or standby with a sharp eye for detail, steady hands under pressure and a love for giving boring spaces a story. Happy in quiet or loud times - 6am calls, midnight resets and everything in between.

I am a film lover, gamer, miniature painter, a rock climber; I draw on diverse artistic influences to inspire and enhance my work.

Education

Southampton University
BA (hons)
Film Production 2019 - 2021
