## RELEVANT WORK EXPERIENCE

### **Social Media Producer**, *University Of Leicester*

05/2024 – Present | Leicester, United Kingdom

- Produced and edited video and social-first content using Adobe Premiere Pro, DaVinci Resolve, and CapCut.
- Collaborated on branded campaigns with Red Bull and Dettol, generating 10,000+ views across digital platforms.
- Worked across varied campaign briefs and target audiences, adapting content style and tone accordingly.
- Monitored performance using Hootsuite and platform analytics to inform creative and engagement strategy.
- Designed captions, thumbnails, and visual assets using Adobe Creative Cloud to maintain consistent brand identity.

### **Content Creator & Videographer**,

*Eternal Wall of Answered Prayer*

11/2023 – 09/2025 | Birmingham, United Kingdom

- Supported studio and location shoots, assisting with camera setup, lighting, and sound for branded and promotional content.
- Edited and prepared video content across multiple formats like YouTube and Instagram for social and digital distribution.
- Worked in fast-paced production environments supporting content delivery and campaign output.

### **Production Assistant & Content Producer**

**(Volunteer)**, *Chroma Church*

01/2023 – Present | Leicester, United Kingdom

- Supported live church productions, assisting with camera setup, lighting, and technical workflow.
- Operated cameras during studio and live services, supporting framing, composition, and multi-camera coverage.
- Edited multi-camera content in DaVinci Resolve for live church services and church media outputs.
- Collaborated with production and creative teams to deliver consistent weekly content.
- Maintained organised production environments to support smooth and efficient workflows.

## VIDEO PRODUCTION & MEDIA EXPERIENCE

- Shadowed newsroom operations at AP News, observing editorial workflows and digital news production.
- Engaged with professionals from BBC, Sky News and Daily Mail to develop understanding of broadcast journalism and audience-focused storytelling.

## SKILLS

- Video editing for digital and social platforms (Adobe Premiere Pro, DaVinci Resolve, Final Cut Pro)
- Camera operation across studio and location environments (Sony FX6, DSLR, mirrorless systems)
- Visual storytelling including composition, pacing, lighting, narrative, and tone
- Studio and multi-camera production support for live and recorded content
- Adobe Creative Suite (Photoshop and related design tools)
- Brand consistency across visual identity, tone of voice, and platform adaptation
- Social-first content creation and optimisation for Instagram, TikTok, and YouTube
- Content analytics and performance tracking using Hootsuite and platform insights
- Strong organisational skills in fast-paced, deadline-driven production environments
- Effective collaboration and communication within creative and technical teams
