BIO:

I am a Blackpool born, London based director. Over the years I have directed several award winning short films, including Unexpected Item which won ten awards from twenty festivals including Best Short Film in several competitions & This Is Zoe which is won the Audience Award at Tweet Fest (2021) and has been selected for several other festivals. In 2021 I was the 2nd unit director on London Kills. Over the last ten years I have built a strong career as an AD and now capitalising on that as I become a full time director.
