

Aisling Devlin

COSTUME DESIGNER

07427517813

aislingdevlin32@gmail.com

Manchester, UK

I am an enthusiastic Costume Designer based in the North West. By working my way up the industry ladder, I have a clear understanding of how costume supports the narrative and have incorporated this knowledge throughout my successful career.

Sustainability is something I am very passionate about and I encourage a greener way of costuming. I believe my positivity, imagination and resourcefulness create the best outcomes for cast and production alike.
