Personal Statement

I am a Lighting Technician based in the North West of England. I have been working in the film and television industry on a full time basis since 2011. I am also a graduate from the Northern Film School (Leeds Metropolitan University), and gained professional experience there as a spark. I am a creative, energetic, hard working and a quick learner. When given a job I will make sure I have it done to the highest professional standard, as quickly and efficiently as possible.
