Jonathan has directed four feature films, numerous dramas, award winning shorts and branded content for major clients. He is at home in any genre such as romantic comedies (*Summer Rain*) to his blood soaked creature-features (*13hrs*). He has directed intense personal dramas to large scale productions with CGI, green-screen, prosthetics, stunts and explosions. He has directed major talents such as Robert Englund (*Freddy Kruger*), Tom Felton (*Harry Potter*) and Steven Berkoff (*Octopussy*). Jonathan climbed the industry ladder as a runner to A.D, before training as an editor at the BBC and NFTVS. His natural ability to tell a story in pictures has resulted in numerous awards around the world including 3 Best Film awards for *Summer Rain* and a Best Horror for the FrightFest sell-out & iTunes chart #1 *13hrs*. As a screenwriter he has had multiple screenplays optioned and purchased.
