As a freelance sound engineer based in the Leeds area, working across the UK & internationally for over 9 years, having nominations & winning awards at Tribeca Film Festival, Raindance Film Festival & Dam Short Film Festival, there is so much I can offer your production. From full mixes, VO records & location sound recording to music composition, sound design & sonic idents. My experience ranges from high end corporate, social media campaigns, animation, ADR, VO, dubbing & TV ad campaigns. My passion for engaging & beautifully crafted sound can help your project grow, enhancing your content, bringing it to the next level. I would love to be part of your next adventure.
