Robbie began making shorts at a young age before joining the ranks of the camera department in a traditional manner. Working and learning for over six years on feature films gave him the required training and knowledge whilst assisting cinematographers such as John Mathieson, Philippe Rousselot and Danny Cohen.

In his free time Robbie also assists the British Society of Cinematographers with their cinematographer Q&As, website and numerous special events which affords him an invaluable opportunity to learn from some of the world's leading cinematographers.

Robbie has also been the recipient of mentorships with cinematographers Angus Hudson (Last Passenger) on a variety of productions and with Haris Zambarloukos BSC (Thor) on the Kenneth Branagh directed Jack Ryan and Cinderella.
