

# CHRISTOPHER E JONES

(Chris)

## ART DIRECTOR

As a Nottingham Trent Design for Film and Television graduate I have been passionately committed to a career in Design for Film and Television for many years. As you can see from my CV I have worked as an Art Director on an interesting range of Productions from long running serial Drama to one off special commissions & Film for 10 years. I am always looking to develop myself and progress my career onto more challenging productions with proven dedication and experience.
