**E-MAIL :** [register1963@msn.com](mailto:register1963@msn.com)

**DATE OF BIRTH :** 22<sup>nd</sup> September 1963

**NATIONALITY :** British

### PERSONAL PROFILE

I have gained a wide range of experience over the past 20 years working as a Prop Master in the television and film industry as well as Assistant General Manager in Retail for approximately 17 years. I have used my aptitude to communicate, organise and motivate to successfully change careers and my experience of managing and working within varying sized budgets within retail have helped me as a Prop Master. I strive to be the best in whatever I do and have always enjoyed responsibility taking enormous pride in doing a good job. As a Props Master I feel I am now in a position to use my previous management training to its full potential. I have a good team of Standbys and Dressers, all with a wide range of period and modern day credits. I believe in having a team which is multi-skilled, enabling me to provide a good service at all times to the Unit, Designer, Set Decorator and the Production team. I used my experience to successfully run the Prop makers and set dressing painters on the film Pandorum (2008, filmed in Berlin). This project was set in the future and all action and set dressing props were design and build. I worked along side with the Director and Designer to actually design these props including the action control desk in the hyperchamber. In More recent times my Team have worked on the first series of "Victoria" and then spent 3 months in Morocco working on "the Brave" for NBC.
