Mark Brindle – Profile January 2019

Director – Maniac Films Ltd (North Devon, UK)

Mark founded Maniac films Ltd in 2002 and now runs a small team producing a mix of Commercial, Corporate, Live production, Drama and Documentary work as well as providing Post Production services including Colourist, Editing, Visual Effects, DVD & Blu-ray authoring, DCP encoding and Captioning services. Maniac Films has a camera hire business – including wet hire & crew services, for a range of specialist cameras, lighting, gimbal, slider, Jib, remote follow focus and Live production kit.

Mark is author of the bestselling “The Digital Filmmaking Handbook” (Quercus press 2013) and lives by the beach in North Devon with his wife and son. In 2007, Mark won his first Media Innovation Award (MIA) and a ‘Best Film’ award for the ‘*North Devon Surf History*’ documentary and has continued to win awards for Interactive DVDs, documentary and music videos.

Prior to starting Maniac Films, Mark worked for 13 years as a consultant in the telecommunications and computer Industry and crossed over into the world of film making through a desire for a more creative life.

Production Skills: Self Shooter, Camera Operator, Lighting Cameraman, Director of Photography, Gimbal operator, Jib operator, Dolly grip, Focus Puller, DiT, Vision Mixer, Video Streaming, Video Playback Technician, Sound recordist. Knowledge of Canon, Sony, Panasonic, Nikon, DJI and Blackmagic cameras and equipment.

Post Production Skills: Editing, Colour Grading, Visual Effects creation, 2D animation, rotoscoping and cleanups, corner pin tracking (Mocha), motion graphics, Davinci Resolve, After Effects, Encore, DVD and Blu-ray authoring, DCP encoding and format conversions, Sound cleanup and noise reduction (Izotope).
