Rebekah Fortune: Directors CV

“Every now and then I have the good fortune to encounter something special. Something Blue is a wee gem of a film, beautifully shot and directed with remarkable assurance”. Jenny Kermode.. Eye for film

Profile

After gaining a BA and MA in Drama Rebekah Began her career as an actor working extensively in theatre and TV including working with David Yates and Colin Teague and in series such as **Holby City**, other credits include, **Virgins**, **Three Women** and short films **Love Is** and **Precious Cargo**.

In 1997 Along with Writer Peter Machen, Rebekah began to direct theatre and set up a critically acclaimed theatre company, which toured nationally until 2005. Her Theatre credits as a Director include **Wuthering Heights**, **Broken Blossoms**, **Macbeth**, **The Tempest**, **Buzz Stop**, **Moll Flanders** and **The Floating Brothel**.

After undertaking a film directing course for women and shadowing some inspirational Directors including BAFTA nominated Colin Teague who is now her mentor she moved into film direction. Rebekah set up production company Seahorse Films in 2011 with long time collaborator and writer Peter Machen to develop a slate of films that combine creativity with commerciality, and that actively encourage more opportunities for women. **Something Blue** was her first short film and is an adaptation of a play she directed in 2000 This has now been selected for film festivals around the world including, Boston, Toronto, Seattle, Frankfurt and has been nominated for numerous awards. It has also been acquired by Channel 4 TV with a 2 year option. She has completed several other shorts including **Grown Up**, **Mustn't Grumble** and **Violent Delights** commissioned for anti bullying month and screened at Odeon Cinemas. Rebekah has recently completed her first feature **Deadly Intent** and has several other features at various stages of development.
