I am a National Film and Television School graduate of Production Management. I am very keen to succeed in the film and television industry. Being eager to learn and develop my skills by getting stuck in to opportunities, I will push myself to my full potential and welcome any learning curves. I have a passion for meeting new people and keeping spirits up within a team irrespective of what position I hold. I believe I am an able leader who can successfully delegate and take responsibility, but I can also take direction from others and I treat all tasks with equal respect.
