Personal Profile:

I am a positive and creative person with a flexible approach to new challenges. I am focused and productive, both as a member of a team and individually.

I am confident, proactive and enjoy interacting with people inside and outside of working situations, making me an excellent team member who is determined to achieve to my highest standards.

Filmmaking Experience:

Throughout my three years at Northern Film School, I have had roles in fourteen student short films and in three other film projects, with one music video and one feature film lined up for after graduation. Within this time I have learnt how the art department works throughout pre-production, production and post-production. My specialisms are Production Design and Cinematography. I also own a Canon DSLR and am able to work my way around a camera.

Experience on:

- Sony PD150
- Sony Nx5

Activities, Hobbies and Interests:

In my free time I enjoy photography, reading, films, filmmaking, concerts/gigs, dance and playing instruments such as piano and bass guitar. My interest in production led me to becoming a member of my school's Sound and Lighting team in year 12, and becoming one of the leaders of the team in year 13. This post demanded a high level of organisation, patience and diligence, due to teaching and leading younger students. This involved many school competitions such as the Florence Nightingale Charity Fashion Show, House Dance, House Drama and House Music, Charity Week including 'Miss AHS' talent show and Teacher Karaoke, as well as productions such as 'Oliver!', 'Cinderella' and 'Grease', and various school assemblies.
