## EXPERIENCE

**VIDEO EDITOR** at Omni Productions, Bristol.

**Full-time from 10/2013 - Present**

**Video editing** using FCPX, Final Cut Pro and Premiere Pro. Predominantly for short-form, branded online content. Clients include – Coca Cola, Guinness, Nokia, Dyson and Lloyds Bank. As well as doing all the editing in-house, my role entails:

- Ingesting, loading and prepping footage, encoding and transcoding, data wrangling, backups, archiving and quality control.
- Colour correction and grading using DaVinci Resolve.
- Sound editing, VO recording and dubbing using Logic Pro and Pro Tools.
- Camera operating and assisting with various cameras including Canon, Blackmagic, Sony and Arri.

I have a good working knowledge of Apple OSX and Adobe software, including Photoshop, After Effects and Illustrator. I have excellent knowledge of post production workflows and digital file formats for online and broadcast specifications.
