Imaginative, motivated and versatile self-shooter/director/producer with experience across a broad range of styles and genres.

I'm a single and multi-camera director, equally confident and creative as a self-shooter (Sony PDW700, F800 Panasonic DVCPRO HDX900, EX3/nano-flash, Canon XF305, sound). I have an eye for detail, well honed story telling/scripting skills and have edit produced shorts, 30's and 1hrs. I'm a clear and decisive leader, strong on tact and diplomacy and can 'produce' both new and experienced talent.
