

Juan Martinez - Sound engineer

+44 (0) 7531 687 148

juan@manzed.com - www.manzed.com

Freelance sound engineer and Distinction-awarded MSc postgraduate with a track record of providing location sound recording and audio postproduction services for over 6 years, specialising in audio for picture, mainly entertainment, documentary, commercial, corporate and online video. Key strengths include, but not limited to, strong understanding of both, technical and creative aspects of recording/editing/mixing audio for moving image and processing it to a broadcast-standard product; dealing with clients and fellow crew members regarding production sound requirements and methodologies; negotiating budgets and implementing production and post-production sound services to achieve the desired product and subsequent client satisfaction.

Key Skills

- Multi-track recording/mixing
- Boom operating/Multiple-source cueing/Microphone placement
- Wireless systems operation and frequency planning/coordination
- IFB/Time code/Camera feeds
- Location acoustics analysis/troubleshoot
- Trained/Precise hearing skills
- Pro Tools HD advanced operating/Audio editing/Mixing/Post workflow
- File/metadata management
- Broadcast specs/deliverables
- Bespoke composition and sound design
- Project planning and sound requirements
- Sound budget management
- Broad knowledge in IT hardware, audio interfaces, monitoring systems, broadcast specs and MIDI.
- Ease of integration and adaptation to new and emerging technologies and workflows.
- Certified Avid Pro Tools 11 at Professional Operator Level, Wave Agent, Izotope RX, Logic Pro, Reason, Waves plug-ins, Adobe Audition, Zaxcom.
