

MARCUS WOOKEY*Art Director / Production Designer*

Complementing his background in art history and fine art, Marcus's tangible skills as a troubleshooting art director on such films as 'Sexy Beast' and 'Chaos' have served to back up his credentials as a modern and contemporary art director and designer. In demand for feature films as well as commercials and docu-drama, he is known for being 'hands on', never far from where the action is, and supporting his director and crew. His most recent film, the \$40 million Bollywood action pic 'RA One' was shot in the UK and India. He's based in London and available for work worldwide.
