**BACKGROUND:**

I started out in the film and TV industry working as a manager for Trading Post, a prop hire company, before moving to A&M Hire to manage their operation. I was offered the opportunity to work as a prop buyer on a major feature film in 1989 and have worked as a production buyer and set decorator since then in light entertainment, TV drama and feature films. I have also been involved in set dressing for commercials, concerts such as Live Aid, fashion shows for Zandra Rhodes, music videos and album covers. I have extensive experience of working outside mainland UK, notably in Ireland (North and South) and in Spain, Cyprus, Czech Republic, Portugal and Bulgaria. Following is a summary of some of the productions I have worked on.
