Experienced and versatile Script Supervisor with over 19 years in the industry. I have vast experience in Single and Multi-Camera TV and Film. The majority of my experience is in Single Camera Drama and I consider myself to be a specialist in this area. However, I am always looking for new and exciting challenges. Although based in South West I have strong connections in North West England but for the right opportunity I am willing to travel.

Lime Pictures

Senior Script Supervisor
Hollyoaks

I began working at Lime Pictures as an Administrative Assistant. Within 6 months I had been singled out for my work ethic and attention to detail and promoted to Production Secretary. Continuing my career progression I was quickly appointed to Trainee Script Supervisor. Within 3 years, gaining valuable knowledge and experience I was promoted to Senior Script Supervisor with additional responsibilities which included training numerous employees up to experienced Script Supervisor level. I was also responsible for liaising with Senior Management, Directors, Producers and a full production team to ensure deadlines were met.
