-

PROFESSIONAL HISTORY

FREELANCE WORK

2007 - PRESENT

Advanced rapidly in various positions through freelance sites and past contacts. Many responsibilities such as banner creation, short animated videos, storyboarding art department work, visual concepts, character development, photoshopping, editing, and much more.

TRAVELLING

2007

Travelling through New Zealand and America for 9 months I picked up various invaluable pieces of experience in all sorts of jobs within the film industry.

- Worked as a Researcher helping to put together the New Zealand International Film Festival and then worked as an Usher once the Festival was up and running.
- Art Department Assistant on a web series in Hollywood called ‘After Judgement’ which has won Streamy Awards.
- Preparing images to be archived in the Hollywood Animation Archive.

TEACHING

- Driffield School Primary children were taught stop motion animation by me in 2009.
 - Various adults have been taught 3d and 2d animation by me in there homes and online since 2008 to the present year.
-
