### **Personal Statement**

I have worked constantly since going freelance back in 1991 working hard to maintain great long term working relationships with London based clients and local alike. I have been lucky to work with some very experienced as well as young talented directors over the years.

---

### **Industry Experience in advertising**

I started over 20 years ago in advertising creating storyboards , visuals and illustrations for just about every top 30 London agency.

### **Industry Experience in TV**

In 2012 i starting working in TV on ITV's drama "Vera" producing storyboards for several key scenes on 5 episodes to date specialising in complex stunt scenes and opening sequences where a storyboard provides an excellent reference .

In 2014 I am working CBBC's "Wolfblood" storyboarding CG, VFX and stunt sequences in 9 episodes to date.
