Brief Summary:

I am an independent filmmaker with a passion for facilitating great story-telling. I have a keen interest in assistant directing and producing, but am flexible in several crew roles within the film industry. I have solid communication and team-building skills gained through responsibilities on numerous film projects, complemented by strong organisational skills and time-keeping.

Skills:

- Experience with many roles including: Producing, Assistant Directing, Camera Operating, Editing, and Writing.
- Experience with Shoulder-Mounted and DSLR cameras through short films, alongside experience in lighting and sound as well.
- Experience with 'Final Cut Pro' and 'Adobe Premier Pro' through editing my own films, alongside an innate knowledge of industry operating standards.

Notable Projects Include:

'Lost - The First Investigation' - Short Film (2013) Producer and Assistant Director

- I was responsible for helping assemble the crew and actors as well as assisting the Director with his paperwork. I was also responsible for organising the set and actors on site, and for keeping the shoot moving forwards effectively and on schedule under limited lighting conditions.

'Crazed Departure' - Short Film (2013) Sound Recordist

- I was responsible for recording the sound for this short film, as well as offering advice and help to the first time Director and Producer of this project.

'A-' - Short Film (2012/13) Producer and Lighting

- I was responsible for assembling the crew, organising casting, and planning and organising the shooting schedule. I was also responsible for lighting the scenes, which had me working closely with the Director of Photography.

'Faceless Love' - Music Video (2012) Editor

- I was responsible for editing the bedroom scene with the Director and Animator of the music video.
