PERSONAL PROFILE:

I am a young film production and editing professional with natural organizational skills and a strong eye for detail. Passionate about high production standards I consider myself to have first-rate social and interpersonal skills; am a natural and supportive team player while at the same time having a natural flair for leadership. I am a self-starter and pride myself on being highly motivated and striving to be successful in everything I do.

BACKGROUND:

I have completed a four-year Bachelor of Arts degree in film production (specialising in film editing). During that period I have worked on a range of professional film productions, been involved in a number of wider film and media projects and entered a range of national and regional film festivals.
