Selected production credits

29th Raindance Film Festival Trailer - (Cinematography)

- Delivered professional results under pressure within a short production timeframe
- Effectively managed the second production team
- Applied creative techniques of visual storytelling to work around location difficulties and delivered footage holding commercial value and fitting the story

Festival Trailer was screened before each film screening and was added to the marketing campaign of the Raindance Film Festival's 29th edition.

CaFI Learning Films - (Directing, Cinematography, Editing)

- Based on the brief, successfully produced actor-driven educational films for an online platform helping African and Caribbean people diagnosed with psychosis
- Contributed to the final product from casting all the way through filming, lighting and post-production
- Handled a sensitive topic with care and attention
- Directed actors with the sensitivity of the topic in mind
- Delivered desired results on time and within the budget

Videos positively impacted the delivery of the material, and the target audience was reached more effectively and naturally.

Cherry Godfrey TV Commercials - (Directing, Cinematography)

- Directed actors on three TV commercials for a finance company
- Created a shooting plan for a quick turnaround
- Developed sufficient lighting plan fitting limited spaces
- Successfully delivered TV spots as self-shooting Director
- Used industry-standard equipment and ran the set according to health and safety regulations

Selected production credits

Oxford SM Promo Films - (Producing, Directing, Cinematography, Editing)

- Developed video brand guidelines for the business
- Created graphics, colour profiles and sound design for future video content
- Filmed and directed promotional videos as a solo videographer
- Successfully organised productions in Amsterdam, London and New York
- Edited social media promo films for LinkedIn and Instagram campaigns
- Produced over 40 films covering a variety of topics related to brand purpose and consumer journey

ALMA The Great Escape Music Video - (Producing, Directing, Cinematography, Editing)

- Script writing according to the brief
- Location scouting and casting
- Directed actors on location
- Cinematography, use of camera, movement and lens choice
- Edited and colour graded

Chair To Rent Film - (Cinematography)

- Collaborated with a production team, producer and director on creating an overall look and feel of a film
- Created professional lighting setups within the available budget
- Operated camera and captured impactful visually rich images highlighting the context of a film

Cinematography of the film was highlighted by film critic James Cherry in his article for The London Film Review *"...Quickly grabbing the viewer's attention with some impressive cinematography and imaginative shots..."*
