Skills

Canon DSLRs, Sony Cameras (Z1, EX1, HXR-NX5, F3), Canon C100/C300, Red One, Glidecam Series, Merlin 2 Steadicam, focus pulling, basic lighting, Final Cut Pro 7, Photoshop, full UK driving licence & own vehicle

Film Experience

1st Assistant Camera on 'Backtrack', Substantial Films, Brighton, feature, July – August 2013

I assisted the Director of Photography with the Sony F3, lighting and rig setup for a low budget horror film starring Julian Glover that was recently picked up by distributor Acort International.

TV Experience

1st Assistant Camera on 'Daye's Work' TV pilot, The Latest TV, Brighton, February 2014

Assisting on the Red One, 'Daye's Work' will be the first TV drama to be broadcast on the new Latest TV terrestrial channel, which launches in July 2014.

1st Assistant Camera on 'Drowning in Sunshine', Studio from the sky, Brighton, comedy, October-December 2013

I assisted the Director of Photography with the C100 and lighting setup on an eight episode comedy series for Youtube.

Work experience placement at Mentorn Media, London, July/August 2013

My placement involved general production office duties including organising production paperwork, researching and delivering packages.

Runner on BBC One's 'The Big Questions', live from Patcham High School, Brighton, June 2013 (series 6, episode 22)

I assisted the production team in setting up for the final show of the series by looking after the audience guests and preparing scripts, running order and signage.
