Main Areas of Expertise: Outside Broadcast Stage Manager, Studio Floor Manager, First Assistant Director, Director.

I work regularly for Input Media, Pitch International, Match of the Day and BBC News as an O.B. Stage Manager. It would be great to pick up some more regular work in other production areas as well and I am happy to travel.

I have proven experience working with actors and the full range of performers.

I am very experienced dealing with the public and non performers effectively on news, discussion and entertainment productions and also have some location management and casting experience

In general, I am a strong team player who can fill a variety of production roles.

- Over 30 years experience on television and film productions.
- Have worked on the complete range from Drama to Live Sport, News and Entertainment.
- Enthusiastic with comprehensive knowledge of the business.
- Excellent communication and organisational skills with a strong ability to deal with problems quickly and effectively when they arise.

In recent years, I have been doing some work for an author and also have been working on my own children's book and some script ideas in my spare time.

February 1992 onwards:

Freelance OB/Studio Floor Manager, Director, 1st AD, Production/Location Manager.
