## PRODUCTION BUYER

E. NICK.HOPE@HOTMAIL.CO.UK M.07828078870

My skills encompass all aspects of prop buying and sourcing using a wide range of contacts I have built up over my years of experience whilst using suppliers both national and international.

I have a wide experience in the Set Dec department from modern day to period, dark comedies to large scale action features.

I am confident managing various sizes of budgets, cost reporting and purchase order generating.

I am extremely organized and work as hard as I can to ensure the Set Dec department runs as smooth as possible whilst working closely with my set decorator and props department to ensure all timeline requirements are met and keep within budget.

I enjoy my work and thrive under pressure, working within a team and I have always prided myself on how thorough my accounting and paperwork has been.
