Qualifications

Maths GCSE, English GCSE, WJEC Science pt 1 & 2, Geography GCSE, Welsh GCSE and Drama GCSE.

NVQ Level 1,2,3 warehousing and logistics.

Education

Heolddu Comprehensive School, Mountain Rd, Bargoed, South Wales CF81 8XL

Relevant Experience

I have spent a number of years in transport, warehousing and logistics, being responsible for ordering, checking stock in direct contact with suppliers and customers whilst keeping my own teams up to speed and making sure the job is completed efficiently and to meet deadline. Even though the last few years has been in television my role has basically stayed the same just on a larger scale with different types of facilities. I also hold a valid CPC and Digital Tacho Card

Other Experience

The majority of my employment has been in management roles and in direct contact with the general public. With a number of staff to look after, a lot of what I have done from previous jobs to present day involve organizing people and facilities to maintaining standards, keeping the workforce happy but at the same time hitting the targets. My strengths are motivating people keeping morale up and organization. I am not lacking in confidence as I have been a semi professional singer all my working life.

Work

MFI Retail 1991- 1996.... warehouse, sales, sales manager.

Responsible for picking and checking stock, ensuring customer service was at a top level in a very tricky retail industry. Hitting sales targets, in bedrooms and kitchens then moving on to managing the sales staff.

RCC Transport 1996- 2002.... logistics/transport manager.

Day to day running of a delivery service for, Howdens, MFI, Allied Carpets and the Multi Drop Service. Route planning, managing the staff and dealing with customers and the companies they shopped with. Alongside our Multi Drop Business.

RJ Sheet metal 2002- 2004.... transport manager.

Dealing with, day to day warehouse operations, running the transport and managing the staff. Dealing with, exterior customers and potential customers and always on hand to help in other areas if needed, working as a team to produce our products.

Location/Unit Manager 2004- July 2011.... BBC Mistresses, BBC Casualty, BBC Upstairs downstairs, Afterlife and Channel 4 Skins

route planning, making sure facilities and catering is ordered. Cleaning and security was my also my responsibility, Car parking for cast and crew, dealing with all logistics, impeccable customer service was a priority when dealing with the public. Man management and motivation was key to making filming days a success. Every day was roll up your sleeves and get stuck in.

Almost every role I have had has a need to work very long hours and not be afraid to get involved with whatever the task may be, many roles have meant that I have been away from home a lot which is not a problem.

Senior Wholesale Manager July 2011/ August 2014

Main responsibilities financial analysis, working through our P&L, forecasting for 54 cabinets and 3 fresh shops, controlling waste and cost of goods and labor. I currently run a factory in Birmingham for the company which needed leadership after a poor start last year. my base for the last 5 years has been in Bristol and while reluctant to move I am still carrying out this challenge for the company.

Location Manager (Light years Film) **September 2014/October 2014**

route planning, making sure facilities and catering is ordered. Cleaning and security was my also my responsibility, Car parking for cast and crew, dealing with all logistics, impeccable customer service was a priority when dealing with the public. Man management and motivation was key to making filming days a success. Every day was roll up your sleeves and get stuck in.
