

POPPY GORDON CLARK

SUPERVISING LOCATION MANAGER

PROFILE

I am an experienced and versatile Location Manager with over 20 years in the film and HETV industry. I am skilled in scouting, negotiating, and managing complex locations for a wide range of productions from high-end television dramas to feature films. Known for a calm, proactive approach and the ability to adapt quickly to evolving scripts and production demands. I bring strong leadership, creative problem-solving, and a deep understanding of both storytelling and logistics, ensuring seamless integration of locations into the director's vision.
