Above outlines significant projects I have worked on and demonstrates the progression I have made with my career. In addition the listed projects I have also worked on music videos, advertisements and corporate promotional videos in a variety of other roles including operating cameras, gripping, sound recording and interviewing clients for a variety of production companies including Blink, Motion Picture House, Luti Media, Lightweight Media, Dimension2 and Signals Media Arts. Sometimes I tutor adults and children (CRB CHECKED) filmmaking skills and occasionally photograph a few events (I own a 5D Mark II kit).

Other Experience

When I am not working I spend my time making my own films and front an indie-rock band.
