About

I have recently finished a year studying Theatrical and Media Make-Up at City of Bristol College developing my skills in make-up, airbrushing, postiche, design and application of prosthetics and basic hairdressing. I have a strong interest in film and theatre and everything that goes into making a production. I now feel I'm now at a point where I have the right skills and knowledge to pursue a career as a prosthetic make-up artist.

Key Skills

- Knowledgeable in Make-Up for Fashion Photography, Film and Television, Theatre and Special Effects.
- Body Painting and airbrush Make-Up experience.
- Excellent communication skills gained from make-up work and extensive retail experience.
- Basic skills in hairdressing such as setting, blow-drying and styling.
- Familiar with wig application and how to style and fit postiche.
- Understanding of health and safety, the control of substances hazardous to health (COSHH) and make-up contraindications.
- Confident with sculpting, mould making and painting for prosthetics.
- Awareness of colour theory, maintaining continuity and how lighting effects the appearance make-up.
- Broad skills in life drawing and painting.
- Knowledge of the history of special effects.
- Experience working in many busy retail environments and working to tight deadlines.

Employment

Boots – Customer Assistant

(Part Time, Permanent) June 2013 – Present
Specialising as a skincare and make-up advisor.

Next Retail – Operations and Sales Assistant

(Part Time, Temporary) July 12 – Sep 12
Temporary Operations Assistant, working on deliveries and the replenishment of the shop floor.

Marks and Spencer's – Christmas Sales Assistant

(Full Time, Temporary) Nov 11 – Jan 12
Part time sales assistant (Womenswear). My main duties included customer service, cash handling, stock replenishment, running of the fitting rooms and keeping the shop floor looking presentable.

Dorothy Perkins – Stockroom / Sales Assistant

(Full Time, Permanent) Oct 09 – Sept 11
My duties included processing deliveries, replenishment of the shop floor, transferring stock in out of store, reporting and claiming any missing stock from deliveries, stockroom management and general organization of back of house. In the absence of the Stockroom Manager I would take responsibility for managing the day to day delivery procedures.

Boots - Store Consultant

(Full Time, Temporary) Dec 08 – Jan 09
Store Consultant on Fragrance Department during Christmas period.
I also had training in disability awareness and had the opportunity to put it into practice.

Next Retail - Stockroom Assistant

(Part Time, Permanent) Aug 07 – Sept 08
My role included processing deliveries, maintaining the stockroom, replenishing stock, customer service and training new staff. I worked to tight deadlines, so a lot of effort and motivation was involved to complete each task. Organisation skills were also essential to increase productivity and sales.

Jessops - Sales Advisor

(Part Time, Permanent) Oct 06 – June 07
My role included customer service, processing deliveries, replenishing the shop floor, till service, merchandising and dealing with customer orders and transfers. I also learned key security training, as the store contains expensive equipment which must be accounted for at all times.

Other information

I hold a full driving licence and more than willing to travel for work and experience.
