Self-disciplined, motivated Runner with over eighteen months professional industry experience, currently looking for Running and Junior Researcher roles. My long term goal is to write and work within factual or drama genres. I was accepted onto the BBC's E20 Writers School scheme and recently completed my first Photography course accredited by Cardiff Metropolitan University. I have recently worked on a number of short films as a Production Assistant and Script Editor and have worked for Films At 59, Mammoth Screen, Testimony Films and Discovery Channel as well as Betty and Talkback Thames.

## EXPERIENCE

### **ORIGIN PICTURES - Cider With Rosie, Floor Runner, September 2014**

### **MAMMOTH SCREEN - Poldark, Floor Runner, August 2014**

- Working as a Floor Runner temporarily on set on *Poldark* at The Bottle Yard, following a week's work experience on location in Cornwall in June.

### **FILMS AT 59 - Running Team, Runner, May 2013 - May 2014**

- Working as a post-production runner throughout one of Bristol's best known editing facilities.
- Handling important and expensive equipment including rushes, hard drives, lenses, microphones and petty cash. Preparing foley booths for sound recording, fulfilling hospitality requirements.

### **TESTIMONY FILMS - Junior Researcher, March 2014**

- Researching for four part documentary series *Wales In The Seventies* for BBC1 at Testimony Films and organising research into clear and concise table format, highlighting contacts I thought were particularly strong.
- Using initiative and creativity to find contributors and locations, contacting individuals and organisations via email and phone.
- Writing reports on books and other sources and finding facts on specific individuals.

### **DISCOVERY CHANNEL - Factual Western Europe, Production and Development Assistant, August 2012 - September 2012**

- Researching and developing ideas on a variety of topics such as sport, nature, crime and culture.
- Participating in brainstorming sessions and meetings, contributing ideas and preparing presentations and handouts.
- Working closely with other members of the factual team, including teaching skills to newer employees.
- Providing office assistance across the production and development slate.

### **BBC - E20 Writers School 2012, Participant, January - June 2012**

- Writing scripts featuring original characters, plots and ideas, as well as using existing Eastenders and E20 characters.
- Developing ideas to fit briefs and challenges, working on other people's concepts and improving in response to criticism.
- Working to deadlines and effective time management, presenting documents in appropriate formats and file

types.

**ENDEMOL - Big Brother Cardiff Auditions, *Runner, February 2012*, and TALKBACK THAMES - Britain's Got Talent Cardiff Auditions, *Runner, November 2011***

- Coordinating talent throughout the audition process, handling sensitive confidential information and keeping contestants happy and informed about how the event was being run.
- Liaising between producers and loggers, transporting rushes to the production office.

**BBC - Land Girls, *Day Runner, June 2011***

- Running on a location shoot in an airfield in Lincoln.
- Undergoing the BBC's safety training and working in a hazardous environment, taking responsibility for safety of supporting artists.
