Profile

Creative Media Production graduate with a passion for creativity which began with a fascination for how films and television are produced. This in turn was an inspiration to start writing creatively, which has developed over the course of a decade. As such, enthusiasm, and experience with, content creation and execution. Have more recently developed skills in other areas of production such as set assistance, camera operation, editing and sound design. Seeking to expand on these skills as well as collaboration with others to generate innovative content with a reputable company.
