

I am a hardworking, creative editor with over seven years' experience in the industry. Having worked on a wide variety of projects from broadcast and drama to film, documentary and corporate productions - I pride myself on my ability to deliver excellent quality results to budget and deadline.

I am highly skilled with Avid and Adobe Premiere and also very experienced with Final Cut Pro. I am passionate about all aspects of the edit process and experienced at taking projects from offline stages right through to online and completion.

I am proficient in Blu Ray/DVD creation and tailoring video for the web – delivering to specific client requirements. I work well under pressure and am used to working to tight deadlines, turning around projects very quickly.
