Experience

Guilfest Videographer/ Editor – 2012–Present

Every year at the festival Guilfest in Guildford, Surrey; I work as both a photographer and videographer recording the majority or best bits of the festival. I then take my footage and

photography and edit both, which is used both by the festival and local newspaper; Living Within.

Bar Maid – 2012-Present

I currently work behind the bar at a local pub called the Griffin. Duties include handling cash, and using the till, waitressing (serving food, taking orders etc.), stock control, cleaning, dealing with customers, and serving drinks.

Charity Video Editor – 2009

Creating a sample promotional video for a client who was looking to receive a job at a disabled sports charity- He got the job.

Living Within Weekend Guide Promotional Video – 2014

Creating and editing a promotional corporate video for the Living Within Weekend Guide. The video was used on their website in order to get people to subscribe.

Babysitter – 2008- 2011

Looking after children and animals, and sending them to bed at a certain time.

Other Qualifications

Level 7 Football Association Qualified Referee

Level 1 Sports Leaders Award

Level 2 Sports Leaders Award

Level 1 Football Association Qualified Coach

First Aid Trained

Other Achievements

One of my biggest achievements was playing for Chelsea Ladies U19's Academy for Football, since I have been playing football from a young age it was a huge achievement, and shows that I can put the work in to achieve the best results.

During my time at secondary school I was awarded entry into a program called young gifted and talented, which is a program set out for a collective group of students who are considered to be academically ahead of their year group and in the top 5% in one or more subjects. Furthermore, this led to participation within a business week, which involved designing some media related advertisement (including poster and video) for Procter and Gamble.

I was also awarded the Mosaic award for ICT for my outstanding commitment to my ICT GCSE studies. This included making videos and a website to host promotional gizmos for the London 2012 Olympic Games- all designed by me.
