07837791255

I am a creative, thoughtful, well organised and quick Editor. Naturally methodical, I enjoy the art of editing immensely and relish the challenge presented by each new film. I am dedicated to crafting a compelling narrative, ensuring the project communicates the story effectively and enjoyably. I regularly work across different NLE platforms and programme genres either autonomously or alongside others.

Programme	Company	Broadcaster	Duration	Contract Date
Tauk Tours	BBC Earth	Corporate Use	15x15 mins	Nov 17/Mar 18
<i>Editing 15 films using BBC archive and specially shot interviews with presenters and crew members involved with some of the BBC's iconic shows from around the world.</i>				
Sun, Sea and Brides to Be	Nimble Dragon	Channel 4	60 mins	Sep 17

<i>This programme profiles the developments in paleontology since "Walking with Dinosaurs" was originally screened.</i>				

Earth Unplugged

BBC Earth

Youtube

Various

Sep 12/Oct 13

As part of a team of 3 editors, I was responsible for cutting a variety of content for the BBC's first original content Youtube channel 'Earth Unplugged'. Involved from the beginning, I also helped initiate the set-up of shared storage and the edit suites.
