## SUMMARY

I am currently a full-time student at Birmingham City University studying an undergraduate degree in BSc Film Production & Technology. From this degree I have learn about the technical aspects behind the filmmaking process and have developed a deep understanding about how the technology behind film works. In support of my degree I also work part time as a camera operator and as a photographer on behalf of a small production company.

## EXPERIENCE

**Camera Operator / Photographer / Editor, Birmingham City University**

**Waiter / Bar Staff, The Dolphin Inn**  
Winchester, Hampshire — September 2011 to Present

## EDUCATION

**Birmingham City University**  
BSc Film Production & Technology — 2012 to 2015

I am currently in my second year at Birmingham City University studying Film Production Technology. My degree is a technology based degree instead of being arts based which means I have a deep understanding of the medium of film and the technical process behind it.
