– **Hardeep Giani**, Director/Producer

*"Brittany was a makeup artist for our feature film 'The Dark Channel'. I've worked with a fair few over the last 20 years, but her calm, enthusiastic and creative outlook is as good as I've encountered. A proper pro, she was punctual, fast, and talented: dealing with long hours and heavy demands with grace. Thoroughly recommend her."*

– **Mark Davis**, Director/Producer, Retro-Juice Films

*"Brittany is a professional, hard-working and hugely talented makeup artist. I have booked her as the lead makeup artist in a number of photography and film shoots, all of which came with unique challenges. Brittany has always embraced these challenges with a creative air, and her extensive range of makeup means that anything's possible! Brittany is professional, timely, hard working and I would recommend her to anyone."*
